Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **La Verne City-wide Mesh Network** in fiscal year 2023.

The entity to receive funding for this project is the **City of La Verne**, located at **3660 D St., La Verne, CA 91750**.

The funding would be used for the City of La Verne to upgrade their city-wide mesh network, which includes their traffic management system, Emergency Operations Center communications system, and a closed-circuit camera system. The network enhances law enforcement's ability to address public safety concerns in real time and is utilized to aid in the investigation and prevention of criminal activity.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Grace F. Napolitano
Member of Congress
